## OBJECTIVE

I have been running my own E-Commerce Business for 3 years, with my most recent experience being a Virtual Assistant & SEO Blogger. I possess valuable skills such as confidence and Honesty that I believe make me best suited for the Position of Freelancer in a company because of my skills being mentioned below.

## EXPERIENCE

### VA Amazon & Daraz Market | March 2020 - present

#### Virtual Assistant and SEO & Blogging

I was held responsible for managing the Amazon US Market at Washington and UAE Amazon. I also managed to lead the job in Amazon or Daraz around. Being a Blogger I am managing my own website [www.JobsInBalochistan.com](http://www.JobsInBalochistan.com) with perfect SEO.
